Largest Open Technology Event on the East Coast back in Raleigh October 21-23 – Raleigh Convention Center

Event to host 3,500+ technologists and decision makers from all over the world
Nearly every major technology company in the U.S. will attend

Raleigh, NC, September 18, 2018 - The world's top developers, technologists and decision makers will gather in Raleigh, NC for the sixth annual All Things Open conference. Three days of programs, keynotes, talks, workshops and networking opportunities will be presented on the most important topics in open source, open tech, and the open web in the enterprise.

More than 3,500 attendees are expected from all over the United States and the world. The 2017 event was attended by more than 3,200 from 32 states and 19 countries, including nearly every major technology company in the country. Just a few companies participating in 2018 will include Amazon, Red Hat, Netflix, Twitter, Facebook, Cisco, Box, VMWare, Microsoft, GitHub, Fidelity, Bank of America, The Walt Disney Company, Lyft, Google, Metlife, SAS Institute, Red Ventures, IBM, and many more.

More than 200 speakers and 200 sessions will be featured over both days of the event. Content will focus on the most relevant and in demand technologies in the open space today and will be geared toward technologists and decision makers, and the person interested in future trends. For a full schedule visit <https://allthingsopen.org/schedule>.

The conference will take place at the Raleigh Convention Center in downtown Raleigh, NC on Sunday, October 21, Monday, October 22 and Tuesday, October 23. To register, go to <https://allthingsopen.org/schedule>.
